

## IOSEPA CAMP FEES / DONATIONS

For use and maintenance purposes we suggest the following fees/donations. They are graduated by the size of your group as we are collecting them for maintenance and services and someone to come out and turn these on. All donations help us to maintain the property throughout the year and bring the festival each Memorial Day Weekend. As a suggestion, we have found that if each person that is able can pay their own fee, the donations cover expenses well and are easier to pay. Funds should be collected and sent to the address below at least one week in advance to allow us to arrange for a camp host for the facilities.

Fee/Donation suggestion:

Minimum 25 up to 50 people      \$ 8 per person

51-more                              \$ 5 per person

(Children under 8 will not be counted in your numbers but are free of charge)

Fees/donations should be made payable to **Iosepa Historical Association and given/mailed to:**

Charmagne Wixom  
4304 Windsor Drive  
Provo, UT 84604

Your fee will reserve the pavilion for your groups exclusive use, allows us to send someone out to turn on generator to fill water tank, clean and stock bathrooms, and provide power strip for phones and small appliances.

While donations are much appreciated, people are able to go out on their own without fee and take their chances on availability of the pavilion and just rough it, like a regular camp. No power. Use of water will depend on what is left in the tank and how you conserve it and no guarantee of exclusive use of facility.
